Resolution.—The Board wish to submit for the consideration of Government, that the provision of drinking-water wells, particularly in dry districts, is a great boon to the population and that the limited funds at the disposal of the Board will not admit of sufficient provision being made in this respect. The Board therefore resolve to urge the Government to reconsider the order and to allot funds, as heretofore, from the Local Funds General for the sinking of drinking-water wells.

2. Read correspondence ending with 1st General Assistant Commissioner's yadi No. 141—2, dated the 23rd August 1898, forwarding for sanction an estimate for Rs 100 for the repairs of the cart-track leading from Rajankunte to Kakol in the Dodballapur taluk.

Resolved that the expenditure be passed and that provision be made in the revised budget for the same.
